**Regulatory Contact:** Chris Gilbreath  
**Phone:** x6687

**Agency:** CDPHE

---

**Purpose of Contact:** Request Approval to Remove Fences (Cages) around Unit 777.1, Room 430, Area 2 and Area 3

---

**Discussion:**

Building 776/777 personnel are planning to remove the fences (cages) from around Unit 777.1, Room 430, Area 2 and Area 3 in preparation for D&D work on the gloveboxes. Most of the containers from these areas have already been relocated to other RCRA units in the building. A permit modification request will be prepared in the near future to reallocate some or all of the permitted capacity from these areas to other rooms in the building. Because the fences are described in the RCRA permit, approval was requested prior to removing the fences. Chris said he has no problem with removal of the fences from these units.
